K-3 START RIGHT READING SERIES

The Start Right Reading Series (STARS) is a learning package composed of literacy materials and resources for K-3 learners.

The learning package can be used by parents with their children at home and by teachers for their students in school. Divided into four levels, Level 1, Level 2, Level 3, and Level 4, each level has twelve stories that make up the core in acquiring and learning fundamental communication and language art skills namely, reading, writing, speaking, and listening.
